MATTRESSES · SPRINGS

Seven-zone support, natural comfort layers

Lino Reale

Pocket springs · 25 cm · Medium

Seven-zone pocket springs in soy-based and HR foam. Cotton summer side, merino wool winter side.

Flanders linen and cotton cover, hand-tufted.

Damasco

Pocket springs · 22 cm · Medium

Seven-zone pocket springs in a soy-based foam box. Cotton summer side, Italian wool winter side.

Pure cotton damask cover, quilted.

Clima

Pocket springs · 27 cm · Medium

Seven differentiated zones in a technical polymer box. Hypoallergenic four-season fibre.

Technical fabric with a breathable 3D band.

All three: registered medical devices (CE) · 10-year structural warranty · reversible head to foot

MATTRESSES · NATURAL FIBRES

Wool, latex and traditional springs

Pura Lana

Pure wool · 16 cm · Medium

A deep fleece of selected pure Italian wool around a soy-based core. Made entirely by hand.

Pure natural cotton damask cover.

Natura

Natural latex · 22 cm · Medium-firm

Pure latex with seven-zone microchannels. Cotton summer side, merino wool winter side.

Flanders linen and pure cotton cover.

Classico

Bonnell springs · 21 cm · Firm

Biconical springs with a rigid pressure layer. Cotton summer side, Italian wool winter side.

Hygienic Sanitized cover. 20-year warranty.

Natura is a registered medical device (CE) with a 10-year structural warranty

MATTRESSES · MEMORY AND POLYMERS

Pressure relief, hypoallergenic by design

Lavanda

Memory foam · 22 cm · Soft

Soy-based memory foam over a breathable water-cell foam base. Four-season fibre.

Linen-blend cover with a lavender finish.

Massaggio

Memory foam · 22 cm · Medium

Light-massage memory foam that responds point by point, over a water-cell base.

Silver-treated antibacterial cover, removable.

Forma

Technical polymers · 20 cm · Medium

Two layers of microcellular, non-deforming polymer, joined without glue.

Hypoallergenic damask, zip on four sides.

All three: registered medical devices (CE) · 10-year structural warranty

BED BASES AND TOPPERS

What lies under and over the mattress

Bed bases

Fixed bases on multi-layer beech (70 × 25 mm) or steel frames, with beech slats. Adjustable bases with stiffness regulators. Motorised bases with five joints, 4,000 N motors and a back-up battery that lowers the bed in a power cut.

Toppers

Pure cotton or pure wool (6–7 cm, also with a removable cover); memory foam with linen and cashmere (6 cm); memory foam (4 cm); hypoallergenic fibre (3 cm).

LINENS AND ARMCHAIRS

Finishing the room

Linens and accessories

Sheets in cotton, percale, satin and flannel. Duvets, quilts and fine wool blankets. Waterproof protectors and anti-mite covers. Pillows in cotton, wool, linen, feather, memory foam or latex. Bath linen. Custom sizes on request.

Motorised armchairs

Reclining armchairs on a solid wood base, moved by two motors and a wired or wireless remote. Made in Italy and certified as medical devices.

FOR HOTELS, DEVELOPERS AND STUDIOS

One specification, every room

Hotels and resorts

Durable, reversible mattresses with hygienic and antibacterial covers. Fire-retardant Class 1 IM models available for hospitality.

Developers

Branded residences and show apartments furnished with one specification, priced by project volume.

Interior studios

Material and technical sheets for every model, trade pricing, and custom sizes for bespoke beds.

Every order is made in Italy to your specification, never taken from warehouse stock.

Project and trade pricing on request

HOW ORDERING WORKS

Four steps from first call to finished order

I

Consultation

We discuss your rooms, guests and budget, and recommend models, sizes and support.

II

Specification

Sizes, heights, covers and quantities confirmed in writing with a pro-forma invoice.

III

Made in Italy

Each piece is made to order. Production time is confirmed before you order.

IV

Ready to ship

Packed with export documents and certificate of origin, ready for collection.

Delivery terms are agreed with each order
